DREAMS

The girl is beautiful. Probably the most beautiful girl you have ever seen. But she seems sad...or afraid. She is caught; trapped in some sort of bubble. And there is someone standing by her, someone dark—EVIL!

She looks towards you and calls...
ASTYANAX...ASTYANAX!!!

And then, you wake up.

You are Astyanax, a 16-year-old student at Greenview High, and you haven't had a whole lot of sleep lately. A beautiful girl has been invading your dreams, along with something sinister. She is being held captive; you're not sure where. All you know is you're running late for

Algebra and can't worry about strange fairy tales.

GATE TO REMLIA

As you head home from school later that day, the questions of this morning appear again in your mind. Who is that girl? And who is keeping her in a bubble?? You're so lost in thought, you barely notice the sky change colors and the sun become a blinding ball of purple fire. And then, everything goes black...

CAST OF CHARACTERS

Astyanax: (Our hero!) A freshman at Greenview High. Astyanax has been selected by the people of Remlia to rescue Princess Rosebud from the castle of the evil wizard, Blackhorn.

Princess Rosebud: Ruler of Remlia, captive of Blackhorn. Imprisoned, but far from helpless.

Cutie: Friend and advisor of Princess Rosebud. She will be Astyanax's personal tour guide for his long journey.

Blackhorn: The evil wizard. He has kidnapped Princess Rosebud because he hopes to drain her magical powers and add them to his own—all in an effort to rule the world. And he wonders why people always refer to him as the “evil” wizard Blackhorn.

Thorndog: A heart of stone, a face of bone. Thorndog is the chief lackey, err, advisor of Blackhorn. A powerful magician with a bad attitude.

Caesar: Monstrous creature with a gland problem. Blackhorn’s pet. Also known as Gremlin-face, The Thing That Walks Like A Chicken, and Daphne (but only to its closest friends).

SPELLS:

Astyanax can use three different spells to aid him in his battles. Each spell uses a certain amount of spell energy and can only be used if there is enough energy left in the spell gauge.

Bind—Freezes enemies for several seconds. Uses less energy than Astyanax's other spells.

Blast—Damages all enemies within range. Consumes less energy than "Bolt," but also does less damage.

Bolt—Most powerful spell, causes extreme damage to all enemies on screen. Consumes most energy of all spells.
